

Eman Fatima

Email: emaaanfatima11@gmail.com | **Cell #** 92-322-7721558

Nationality: Pakistani | **Gender:** Female

Languages: English (Proficient), Urdu (Native), Chinese (Elementary).

Interests: Interested in Artificial Intelligence, Machine Learning, Data Science, and Software Engineering, with a focus on developing intelligent and practical solutions to real-world problems.

EDUCATION

Bachelor of Science in Computer Science – GCWUF, Pakistan

[09/2020 – 07/2024]

Government College Women University Faisalabad- www.gcwuf.edu.pk

CGPA: 3.58/4.00

Major Courses: Programming, Data Structures & Algorithms, Operating Systems, Database Systems, Computer Networks, Software Engineering, Artificial Intelligence, Parallel & Distributed Computing, and Web/Mobile App Development.

RESEARCH PROJECTS

Student Performance Prediction | Python, Scikit-learn

[2026]

GitHub: [View Project](#)

- Built and evaluated multiple regression models for predicting student writing scores; Linear Regression achieved MAE 3.20 and R^2 0.938. Implemented preprocessing pipelines, model comparison, visualization, and cross-validation.

Research Paper Topic Classifier | Python, NLP, Scikit-learn

[2026]

GitHub: [View project](#)

- Developed an NLP-based research paper classification system using TF-IDF and supervised machine learning; Linear SVM achieved 87.77% accuracy and 87.74% weighted F1-score. Compared Logistic Regression, Linear SVM, and Multinomial Naive Bayes models, with custom research paper predictions and model evaluation.

Quizler – An Online Quiz Management System

[01/2024 – 06/2024]

- Developed a web-based platform that enables teachers to create, manage, and publish quizzes online.
- Implemented a student module allowing quiz attempts with automated evaluation and result generation.
- Designed an answer-checking mechanism that compares student responses with teacher's provided keys using a dataset for accurate and efficient marking.
- Focused on enhancing usability, reducing manual grading efforts, and ensuring reliability for academic institutions.

WORK EXPERIENCE

Management Trainee Officer (MTO) – Klash Pvt Ltd.

[02/2024 – 05/2024]

www.klash.com

- Worked on database management, optimization, and troubleshooting for enterprise-level systems.
- Assisted in database migration, query optimization, and ensuring data integrity across multiple applications.
- Collaborated with cross-functional teams to improve performance and reporting processes.

College Teacher Intern (CTI)

[11/2024 – 04/2025]

Government Municipal Graduate College, Faisalabad – www.gmdc.edu.pk

- Taught core Computer Science subjects to undergraduate students following academic standards.
- Supervised and guided students in selecting and developing their Final Year Projects (FYPs).
- Led and mentored project teams, ensuring technical quality and timely completion of assigned tasks.

SELECTED COURSEWORK

Machine Learning — Google Machine Learning Crash Course

- Studied core machine learning concepts including supervised learning, model evaluation, feature engineering, and neural networks.

Practical Deep Learning for Coders — fast.ai

- Learned practical deep learning concepts including neural networks, model training, computer vision, and transfer learning using Python.

Introduction to Algorithms (6.006) — MIT OpenCourseWare

- Studied fundamental algorithms and data structures, including sorting, searching, graph algorithms, and algorithmic problem-solving.

CERTIFICATIONS

Freelancing

[07/2022 – 10/2022]

DigiSkills Pakistan – www.digiskills.pk

- Learned client dealing, proposal writing, and project delivery on international freelancing platforms.

Graphics Designing

[07/2022 – 10/2022]

DigiSkills Pakistan – www.digiskills.pk

- Acquired skills in Adobe Photoshop, Illustrator, and design principles for professional digital content.

HONOURS AND AWARDS

EHSAAS Undergraduate Scholarship - Higher Education of Pakistan

[2021 – 2024]

- Awarded merit-based scholarship for bright students in recognition of academic excellence.

PM Laptop Scheme, Government of Pakistan

[31-12-2023]

- Awarded a laptop under the Prime Minister's Laptop Scheme in recognition of academic merit and performance.

CONFERENCES AND WORKSHOPS

Digital Marketing Workshop

[14/03/2022]

Cybex IT Group- www.cybex.com

Media Freelancing in Digital Age

[24/08/2022]

Virtual University of Pakistan- www.vu.edu.pk

PRESENTATIONS AND LEADERSHIP

Poster Presenter, GCWUF

- Presented an AI-powered Smart Traffic Management System concept to faculty and researchers.

Class Representative, Department Computer Science

- Acted as a liaison between students and faculty, addressing academic and administrative concerns.

TECHNICAL SKILLS

Programming & Data: Python, SQL, MySQL, Pandas, Scikit-learn

Web Development: HTML, CSS, JavaScript

Networking: Cisco Packet Tracer

Data & Productivity: MS Excel, MS Word, MS PowerPoint

Design: Canva, Adobe Photoshop, Adobe Illustrator

REFEREES

Ms. Shafia

Assistant Professor,
Department of Computer
Science,
GCWU Faisalabad.
shafia@gcwuf.edu.pk

Dr. Sadia Sahar

Lecturer,
Department of Computer
Science,
GCWU Faisalabad.
sadiasahar@gcwuf.edu.pk
